

# PRO 101

Water-based acrylic primer for paints and coloured renders.

## Description

High quality water-based acrylic primer for paints and coloured renders with high penetrating ability. Offers an ideal substrate for cement-based renders and organic binder coatings such as Kapalux, Monokapa, Kapsil, Granulato and Plaster fin. .

## Specifications

Form: liquid  
 Color: White  
 Density:  $\approx 1.00$  kg/lit  
 PH:  $\approx 8$

## Coatings

- Acrylic plasters
- Cementitious coatings
- Coatings gypsum-based
- Water-colors
- Cementitious adhesives etc.

## Substrates

- Concrete
- Cementitious adhesives
- Bricks
- Natural stones
- Plasterboard
- Chipboard
- Cementitious coatings
- Plaster coatings etc.

## Substrate preparation

Ensure surfaces clean of loose, detached lots, dirt, oil, dust, etc.

## Directions for use

Shake well before use. The material is used as it is. Apply material by roller, brush or spray. In very porous substrates make more than one application. Should not be applied under intense solar radiation (temperature greater than 35 °C) or rainfall and days where temperature is expected to drop below zero. After use remove residual material from application tools with water.

## Consumption

$\approx 100$ - $200$  gr/m<sup>2</sup> depending on the porosity of the substrate.

## Packaging

Plastic containers 1, 5, 10, 20 kg

## Storage

In shady, preferably indoors protected from frost, heat and sun exposure for at least 12 months.

## Notes

Technical details, properties, recommendations and information on BAUER products are supplied in good faith. They are based on the company's research and experience, provided that they are stored and applied under normal conditions. As the method of using materials as well as project and environment conditions are beyond the control of the company in each individual application setting, the product user is held solely responsible for the result of application. No responsibility under any legitimate relationship can be substantiated against the company, based on the information set out hereunder. Product users are advised to refer to the latest revision of the technical manuals available
